

## **Coronavirus - current information**

Dear patient

We have implemented all the latest recommendations from the experts so that our practice is as safe as possible.

We have two waiting areas on different floors in each there is a maximum of three patients. In all other practice rooms there is a maximum of 5 patients with sufficient distance from each other. Feel free to contact us if you have any questions.

Yours Prof. Dr. med. Peter Hellstern  
with hemostasis thrombosis center team
